To all Lower Sixth Form Parents

Dear Parents

Ref: Lower Sixth Form Parents Evening – Thursday 12 March 2020

I am writing to highlight the Parents' Evening on Thursday 12 March, which is an occasion to discuss your son or daughter's progress. It will be held in the Library between 5.30pm and 7.30pm. It is an important opportunity to hear how they are doing at this stage in their A Level courses.

The evening has been organised into appointment slots of five minutes. Your son/daughter has been provided with a sheet in their prep diaries to be used when making appointments with tutors. Staff in turn will sign the chosen allocated time, as confirmation.

Please note that the evening is due to end at 7.30pm and that staff may have other commitments after this time. Therefore, if you are likely to be late, please make sure that you see those members of staff you most want to see first.

We look forward to seeing you on 12 March.

Yours sincerely

Mrs C King
Head of Sixth Form
