Dear Parents

Re: Coronavirus Update

As the situation is in constant flux, I wanted to let you know where we are in terms of the school.

As I have said before, we remain open until told by the Government to close.

However, in line with Government advice, if any of your children have any symptoms which could be Covid-19, in particular fever and/or a bad cough then please isolate them at home and let us know.

I have also decided to close down non-core aspects of school, which means concerts and sports fixtures will be cancelled for the rest of this term. Mrs Willmott will write separately to Junior School parents about this Friday's Mothers' Day Assembly which has now been cancelled.

Our after-school activities programme will continue, but if you would prefer your children to come home at 4 o'clock, I am happy to suspend the compulsory aspect of school's post four o'clock calendar for the rest of this term.

I will be back in touch, if and when anything changes.

Yours sincerely

C G Walker
Headmaster
