06 June 2019

Dear Parents

There are a few important dates and trips for the Lower Sixth this term which you might like to take note of.

### **End of Year examinations**

End of year exams will take place week commencing 17<sup>th</sup> June and pupils are aware that these exam results will form the basis of their predicted grades for university applications. Pupils will be off timetable all week but are encouraged to work in the designated study spaces at school between their exams.

### **UCAS Higher Education Fair**

On 25<sup>th</sup> June we plan to take the Lower Sixth to the UCAS Higher Education fair at the NEC in Birmingham. Pupils have the chance to talk to hundreds of representatives from universities, apprenticeship programmes and gap year organisations as well as attending seminars and talks about higher education. There will be a small charge to cover the cost of the coach to the event which will be added to your bill.

### **UCAS day**

We plan to devote a whole day preparing pupils for the UCAS application process on Friday 5<sup>th</sup> July. There will be a series of workshops and sessions on how to apply for university or graduate apprenticeships, so that they are prepared in September.

If you have any queries about any of the events please do not hesitate to contact me.

Yours sincerely

Charlotte King  
Head of Sixth Form
