27 February 2020

Dear Parents,

We have entered to play in a Rugby Sevens tournament at St James Senior Boys School on Thursday 12th March, run by the Independent Schools Association.

A small squad has been selected to go and compete on the day.

The tournament will require us to leave school early at around 8:40am and dependent on our progression during the day we hope to return by 18:00 at the latest but you will be notified if times change.

A packed lunch will be provided by the school, but it is my advice that the players have their own additional drinks and maybe small snacks to boost energy between games.

Players will require their full school tracksuits and full school rugby kit, including trainers, towel, rugby boots, rugby shirt, rugby socks and rugby shorts (maybe additional warm clothing/waterproof).

Should you as parents wish to attend, please email me for further details at (mkefford@pitsfordschool.com). I look forward to the tournament and hope the team can be successful.

Yours Sincerely

Mark Kefford

Teacher of PE and Games
