21st February 2020

Dear Pupils and Parents of Year 11 and Upper Sixth,

This is an early notice to let you know about revision sessions that will be happening in the Easter holiday. In addition to the many opportunities that run in term time (and even some weekends), I am grateful to my colleagues who have agreed to put sessions on during their holidays.

Last year some of you commented that you would like to have known about the sessions sooner in order to plan your holidays. We do try, but teachers also have to work around their family commitments; thus there may still be changes or additions but here is the current offer.

We will be asking pupils to sign up to these sessions in a couple of weeks when details are finalised, but are sharing these with you to give you an opportunity to plan your Easter break. There will be no sessions running in Week 2.

Pupils staying all day should bring a packed lunch.

Yours faithfully,

Fidelma Kirk
