Year 10 Rugby Fixtures

Dear Parents,

This term during our games afternoons we will be focussed on Rugby. You may have already seen on the school calendar that there are plenty of fixtures against other schools. I would just like to take the time to highlight those upcoming games. We (the players, coaches and myself) would welcome any and all support for the boys on the match days.

The U15's fixture list is slightly harder to publish than other year groups due to the nature of the two Cup competitions we have entered in, one being the RFU National Vase and the other the County Cup. The RFU Vase regardless of the result will see us progress in the competition at least one more round, either further in the Vase or down into the Bowl competition. Our first round in this is against Welland Park School next week. We have drawn Sponne School in the County Cup and this is yet to be fixtured. As soon as each round is confirmed I will try to inform you of the details. Please do not think their schedule is light, it just simply due to the nature of the competitions.

Teams will be selected the week before and team sheets are placed on the notice board in the junior common room. If for any reason a game may need to return later than the usual school finish time I shall write to you prior to the fixture to make arrangements for a later return to school. Should it be the case your child is unable to attend any game I would appreciate it if you could write in with plenty of notice and let me know so I have the opportunity to make other arrangements.

I have organised with the catering team for the café to be open and coffee machine on 30 minutes prior to our home game kick off's and for post-match, to warm up when we need to. You may even find a biscuit to accompany it as well!

You will find the details including those of the away fixtures, to assist you. I fully appreciate how busy people are and know it may be difficult to attend.

Should you have any questions regarding the Rugby fixtures please do get in contact with me: mkefford@pitsfordschool.com or call me at school.

I am hopeful of an enjoyable season and looking forward to watching the players rally together in the royal blue of Pitsford.

Yours Sincerely

Mark Kefford
