Dear Parents /Guardians

Following on from the Year 11 Parents' Evening where we outlined the options process for choosing subjects at Sixth Form, we are now at the start of collating the information to construct the Lower Sixth blocks for the next academic year. The first stage is to provide provisional intentions for your son/daughter(s) options. Below is space for you to indicate their four choices, please put them in priority order with 1 being the most desired choice.

We are well aware that these choices may change and that the mock examinations may provide a different perspective on future intentions, so we will be requesting you to revisit these after the results from the mock examination are published.

Would you please submit this form by Friday 13th December.

Yours faithfully

Dr J Ewington

Assistant Head (Systems)

Please return to Dr Ewington by Friday 13 December 2019
