Mc/jro

1 March 2019

Dear Parent,

We have entered to play in a ISA Rugby Sevens tournament at Lucton School on Wednesday 6th March, run by the Independent Schools Association.

A small squad has been selected to go and compete on the day.

The tournament will require us to leave school early at around 8:40am and dependant our progression on the day hope to return by 7pm at the latest, but you will be notified by Clarion Call if the time changes.

A packed lunch will be provided by the school, but it is my advice that the players have their own additional drinks and maybe small snacks to boost energy between games.

Players will be required to travel in their school tracksuits and bring their full school rugby kit, including trainers, towel, rugby boots, rugby shirt, rugby socks and rugby shorts (maybe additional warm clothing/waterproof).

Should you as parents wish to attend, please email me for further details (mcole@pitsfordschool.com) I look forward to the tournament and hope the team can be successful.

Yours Sincerely

Mark Cole
Teacher of PE and Games

Please return to the school office or Mr Cole by 4th of March

My son will be available to represent Pitsford School in the ISA Rugby Sevens tournament on Wednesday 6th March.

Signed parent/guardian..... Date.....
