

Privacy Notice Pitsford School – Children at the school over the age of 13.

The EU General Data Protection Regulation (GDPR) includes rules on giving privacy information to those whose data is held by an organisation (data subjects). These are more detailed and specific than in the DPA and place an emphasis on making privacy notices understandable and accessible. Data controllers are expected to take 'appropriate measures' to ensure that this is the case.

The school interprets this as using very clear language to outline each of the responsibilities for each of the data subject groups.

The GDPR say that the information provided to data subjects about how the school processes their personal data must be:

- concise, transparent, intelligible and easily accessible;
- written in clear and plain language, particularly if addressed to a child; and
- free of charge.
-

These requirements are about ensuring that privacy information is clear and understandable for data subjects.

Each annex deals with two sources of data, that obtained directly from the subject and, data not obtained directly from the subject. For both sources the identity and contact details of the data handler (and where applicable, the handler's representative) and the data protection officer (or privacy officer) are provided.

This privacy notice will be provided to you at the time your data is being obtained, if it is being obtained directly. This means you get this when the school gets your data from your parents, or within a month.

Data will be processed for the purposes of allowing you to make the best of your time at Pitsford School. The school will therefore have what is called a "legitimate interest" for processing basic personal data and sensitive personal data. The data the school holds will be the minimum it requires to allow you to thrive in your years here.

The school will share your data with the following companies who have contracts with the school and who have equalled the school's precautions, systems and procedures for dealing with data, these are:

- Gateway (if they are your local guardians)
- IT software provider

It is not necessary for data to be shared with other countries. The exception to this will be international trips that the school organises, should this be envisaged for you, you will be contacted for your consent, the consent will be limited in time and content if it is required.

The retention period for pupil data will be until you reach the age of 25.

You have the right to withdraw your consent to data processing at any time, however this will only apply to certain groups of data for which you have given particular consent.

You can complain at any time about how the school has handled your data, the Information Commissioner is available as follows:

ICO helpline is 0303 123 1113. A template letter, should you need it is at the appended to this notice.

We will obtain the data the school requires from you, should we need data from other sources we will contact you.

We see the provision of personal data as necessary to properly manage your time at Pitsford School and for the school to fulfil its obligations to you.

There is no automated decision making or profiling involved handling this data.
